Organised in 2 separate blocks, the **first** part consists of 2 weeks in Germany, attending classes and living at the home of a local student. A maximum of 5 students are placed in the same school. This course is designed to complement the oral section of the Leaving Cert syllabus, in the context of a **German IMMERSION**. It gives students a strong foundation in communication skills (oral and aural).

A ONE-DAY WORKSHOP in Dublin, prior to departure, is designed to introduce a **PORTFOLIO** to be com-

pleted in **Munich**—Germany (Document, Presentation etc.) and to help correct pronunciation, intonation and boost confidence.

Once in their respective *Gymnasien*, the Irish students attend regular classes for 2 weeks and **complete their PORTFOLIO** e.g.: *CV, hobbies, family, school, media etc.*

Regular visits by our local representative help with the tasks assigned.

Accommodation with a **German student** offers comfort, care and supervision.

Why learn German?

“Leaving Certificate results show above average results for all in German”—German Language Advisor to the Department of Education and science

“German is the most commonly used language on the Internet after English”—German Teachers’ Association or Ireland

“Germany is Ireland’s third largest trading partner. A knowledge of German greatly improves your career prospects and job opportunities”—GTA of Ireland

“Over 250 German companies operate in Ireland. 32% of surveyed Irish companies believe that extra foreign language capacity would benefit them. 70% of Irish exporters to Germany use the German language in their business”—Goethe-Institut

Excerpts from German Chief Examiner’s Report: (page 14)

“Some candidates spoke for longer than necessary and others tended to speak too fast. Those candidates who kept their accounts short and clear performed”

“Candidates (...) having coped reasonably well with the familiar topics such as family, school and hobbies, struggled to expand any further and often needed the questions to be rephrased or simplified to elicit responses”

“Many excellent candidates who gained full or very high marks for communication were awarded between 8 and 10 marks for vocabulary and accuracy. Some candidates had been on a Klassenfahrt to Munich and Berlin”

Test and Workshop held in Dublin determine the correct level.

There is no guarantee that friends will be placed in the same *Gymnasium*.

As a representative of their family and country, students are expected to participate in family life, to be co-operative, courteous and to partake in normal chores and duties.

We reserve the right to refuse an enrolment for reasons we deem valid.
