### FRENCH THROUGH WORKSHOPS

How we work:

Emphasis is put on **oral communication** with the use of teaching equipment (tapes, CD, pictures), nursery rhymes, sketches and songs. A final show for parents and friends is arranged.

### En français s'il vous plaît !

We work on accent, elocution and pronunciation entirely through French in a relaxed and enjoyable atmosphere, teaching more than just lists of words (objects, numbers, colours) or showing films. We bring our pupils to express themselves in oral French and, above all, inspire them to love the language! Our avant-garde experience in this field dates back to the late seventies.

Classes are held at 102 Pembroke Road, D4
