Individual Academic Placement

Learning Spanish with the Spaniards

This individual placement dramatically improves the student's fluency and becomes a bonus for oral and written exams, and for life. The Spanish curriculum offers a wide range of subjects.
The Irish student is fully integrated among Spanish students and is taught all subjects through Spanish.

LOCATION :

Schools are located in the Galicia region, e.g. Vigo, Pontevedra, Lugo, Santiago de Compostela and A Coruña

Keys to Success

- An initial **Test** complete with an **Information Meeting** help determine the Spanish school year and assess personal needs.
- An **Induction Course,** held before departure, provides a head-start in elocution and communication skills.
- A short **Preparatory Course** ensures a smooth integration into the Spanish School structure.
- A wide range of schools, mostly private, guarantees welcome and ethos.
- **Regular visits**, with private tuition, by a **Local Contact**, help the student keep up with homework and provide emotional and practical support.

Boarding* and/or at the Home of a Schoolmate

Accommodation is at the home of a Spanish student, offering every advantage of an exchange, without particular inconvenience. Boarding schools are also available.

The option to extend a stay for an additional Term, or extra weeks, can be arranged (Contact us for further details).
Placement can only be initiated after enrolment has been received and the test and the interview conducted.

The student is fully immersed in the Spanish language for the duration of the stay which ensures enormous progress in Fluency both Oral and Aural.
